

**Letter of Recommendation**

To whomsoever concerned

I am writing to enthusiastically recommend Adnan Abbas Kanchwala, a final year Mechatronics Engineering student at Mukesh Patel School of Technology and Management, NMIMS University, for his exceptional performance in the Data Analytics open elective course.

Throughout the course, Adnan demonstrated a strong passion for programming and logical problem-solving, actively engaging in class discussions and showcasing exceptional aptitude in grasping complex concepts. His enthusiasm for exploring various projects in data analytics and his ability to apply theoretical knowledge to practical scenarios were evident throughout.

Adnan's proficiency in utilizing programming tools for hands-on practice was commendable, and he consistently displayed a remarkable talent for breaking down intricate problems and devising logical solutions. Based on his exemplary performance and dedication to learning, I am confident that Adnan possesses the skills and potential to excel in both Mechatronics Engineering and Data Analytics.

I wholeheartedly endorse Adnan Abbas Kanchwala for his higher studies and professional pursuits in his field. Please feel free to contact me if you require any further information.

Sincerely,

Dr. Rajni Aron
